Dear MS.Drohan,

I was very glad to discover that there is an UI/Ux Designer position available within your company. I learned about your company through the online recruitment platform. As a motivated, Skilled and Communicative individual I also have a strong background in UI/Ux design supporting, I believe my qualities would be a great asset to your company and I am eager to put my experience to work if I am given this opportunity to work for you as an UI/Ux designer.

I have excelled at designing the website user interface, At the same time I also master a series of front end programming(HTML,CSS,JS,SASS) and am very familiar with the whole workflow I am good at communicating with customers and have above average communication skills, I am very confident in my abilities to interact and work with various customers and colleagues. I am also a fast learner and possess the ability to quickly understand and solve work problems. Many of my achievements have been the direct result of hard work, determination and a strong work ethic. Examples of my key skills include:

- Designer and builder of a website; worked independently.
- Completed Computer qualification certificate in 2020.
- Confident user of all kinds of design software

In addition, prior to graduating, I already had internship work experience working as a designer assistant. As a result, I have the ability to work alone as well as in a organized management system with other people. During the internship, I mastered a series of design software. I also learn 3D modeling/Pr/Ae by myself in my spare time. Overall I am confident that my background experience and expertise along with my educational background makes me an ideal match for your job position.

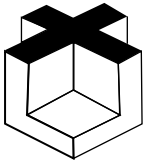

I am confident with my design/software skills and I am also open to learning related professional skills if needed. I am a quick and fast learner who is always up for a new task and challenge. I would like the opportunity to meet with you to discuss this position you have available. Please call me at 647-809-7236 or email me at Cindylxd123@gmail.com if you would like to arrange an interview, or require any further information.

Sincerely,

Xindi Lu
